New participants welcome, please Call CMH if you would like more information.

COVID-19 TESTING

CMH is continuing to undertake COVID testing for anyone in the community who has possible COVID symptoms.

The symptoms which may mean you need to be tested are being unwell with fever or chills, new onset of cough, sore throat, shortness of breath, runny nose, loss of sense of smell or taste.

If you are experiencing any of the above symptoms **DO NOT PRESENT** to the hospital but call on **5554 2555** and ask to speak with a nurse. They will discuss your symptoms with you and organise a suitable time to undertake your testing.

People who are undertaking elective surgery who have been requested to have testing prior to their theatre date can have that testing at CMH. Please ring 5554 2555 to arrange a time.
